

To schedule a public transit (cash) trip:

For better service, we ask that you schedule your trips at least **72** hours in advance. Call your local office for information specific to public transit. When making your request, please have the exact address and telephone number of your pick-up and/or drop off locations. Due to vehicle availability SCAT may need to schedule your trip within an hour of your requested time.

To schedule a Medicaid trip:

You must schedule your trip **72** hours in advance by calling the toll free number at the Call Center. Have your name, address, phone number, Medicaid card, your doctor's name and address ready when you call 1-800-385-9992

Arrivals – Cancellations – No Shows

SCAT passengers should expect the bus to arrive up to 15 minutes prior to your scheduled pick-up time. You should be ready to board the vehicle when it arrives. It is important to remember that every time you schedule a trip, SCAT will send a vehicle to your pick-up location. If you fail to show up without notice you have potentially deprived transportation for another client. To cancel a trip, please call your local SCAT office the day before as early as you know you will not be going.
